The Rosicrucian-Cosmo Conception.

By Max Heindel

*Authorized Messenger of the Brothers
of the Rose Cross*

TRUTH banishes IGNORANCE, FEAR, CREED!

Spiritual liberty and freedom can be attained only through knowledge and understanding. A New Age is dawning! Crystallized concepts that impede progress must be laid aside. Instead of darkness we must have light. Instead of despair, faith based upon knowledge.

This monumental volume answers age-old questions concerning the mysteries of the universe. It gives a complete and definite explanation of all the manifestations of a so-called supernormal nature, besides providing a full and logical explanation of the evolution and ultimate destiny of man. It furnishes the key to the occult truths of the Bible and bridges the gap between science and religion.

The Rosicrucian Cosmo-Conception is a book which can lead you into a truly more abundant life.
